Good morning!

HQ has requested that we move forward with a response to the LA County Board of Supervisor's letter to the Administrator regarding DDT dumping. Attached is a draft of the response, kindly updated by John C. and Judy, for your review.

Since the letter initially came in during the first week of May, we'd like to get this out as soon as possible.

Thank you!

Julia

Julia, Here's my edits. I will be out Wed – Friday, so hopefully you can keep it moving.

As commented on, our fourth agencies' meeting is this Thursday. So depending on when this goes out, you may need to do a final edit on that part.

Thanks, John

The letter is BACK! While we were drafting the attached response to the LA County Board of Supervisors letter, LAC BoS Chair Hilda Solis was scheduled to have a phone call with Administrator Regan that negated the need for a written response to the BoS letter. Unfortunately, the call ended up not happening, and OCIR has requested that we continue to move forward with a written response. Big thank you to Judy for bringing this to my attention again!!

I wanted to check in with you both to see if there is anything you would like to edit or change in the attached draft?
Thank you so much!

Julia
